## INVITATION

### 21<sup>st</sup> European Company Law and Corporate Governance Conference: Crossing Borders, Digitally Tallinn, Estonia

Dear Madam/Sir,

On the occasion of the forthcoming **Estonian Presidency of the Council of the European Union** in the second half of 2017, we are pleased to invite you to the **21<sup>st</sup> European Company Law and Corporate Governance Conference: Crossing Borders, Digitally** on **4–5 September in Tallinn**. A welcome event will take place in the evening of **3 September**. The conference is organised by the Ministry of Justice of Estonia, in cooperation with the European Commission and partnered by EY and University of Tartu.

According to its [Work Programme](#) for the 2017, the European Commission intends to “present a company law initiative to facilitate the use of digital technologies throughout a company’s lifecycle and cross-border mergers and divisions”. The aim of the conference is to bring together stakeholders to discuss possible necessary changes in the existing EU company law framework. The conference is planned to cover three different areas of interest: the digital company law, cross-border mobility of companies (i.e. cross-border mergers, divisions and transfers of registered office i.e. conversions) and applicable law in company law matters. The conference is meant for company law policy makers and experts of the Member States and EU institutions, entrepreneurs, legal advisers and other interested parties. Please find a short description of the conference on the website of the Ministry of Justice: <http://www.just.ee/en/conferences-during-estonian-presidency>.
